EDUCATION

Grammar Model School, Hafizabad — Matriculations

2008–2021

Completed Matriculation with a focus on **Biology**. Developed a strong understanding of **scientific concepts and analytical thinking**. My studies in **Biology, Chemistry, and Physics** enhanced my problem-solving skills and attention to detail. Achieved excellent academic results, demonstrating dedication and a passion for learning.

Punjab Group of Colleges, Hafizabad — Intermediate

2021–2023

Completed **FSc Pre-Engineering** with a strong foundation in **Mathematics, Physics, and Chemistry**. Developed analytical and problem-solving skills through advanced mathematical concepts and scientific studies. This academic journey strengthened my logical thinking and prepared me for higher education in **engineering and technology**.

University of Engineering and Technology, Lahore — BS Computer Science

2023–2027

Currently pursuing a degree in **Computer Science** with a focus on programming languages such as **Python, C#, and C++**. Acquired strong knowledge in **Data Structures and Algorithms (DSA)** and **Object-Oriented Programming (OOP)**. Passionate about **problem-solving**, building applications, and constantly enhancing my skills in **web development** and **software engineering**.
